

Terms and Conditions for Conference Registration

The members of the Australian Society of Plastic Surgeons (ASPS) Council do not accept any liability for any losses incurred pre, post or during the Conference due to unforeseen cancellation or postponement. In the event of the Conference being cancelled, refunds will only be issued in accordance with the cancellation policy as stated below. The Australian Society of Plastic Surgeons has the right to decline delegates attending/accessing meetings managed by the Society and reserves the right to cancel or modify any registration that has been made in an incorrect category. Please ensure you have read the category descriptions to register yourself for the appropriate category. All registrations will be checked and verified.

Privacy Statement

Protecting your privacy and your personal information is an important aspect of the way ASPS conducts its activities, online and offline.

You acknowledge you may be filmed, recorded and/or photographed by ASPS, the media or any other party at the Event and consent to ASPS using the film, sound and/or photograph for ASPS editorial, promotion, publicity and advertising purposes, or for the promulgation of correct medical procedures.

By submitting a Registration Form, you consent to ASPS collecting, using and disclosing your personal information (including credit card information) to administer the Event. This may include the production of delegate lists and photographs to Event sponsors or for marketing and related uses and updating your continual professional development record, unless notified otherwise. ASPS will disclose personal information relating to credit card details for payment processing only.

Registration Fees

Cancellation of a registration must be advised via email to the conference Secretariat via projectmanager@plasticsurgery.org.au.

Verbal changes or cancellation cannot be accepted. Registration cancellations received up to 1 May 2024 will receive a full refund, less a \$300 cancellation fee. No refunds will be given for cancellations received after 1 May 2024 – this includes cancellation of any paid workshops/events such as the Gala Dinner. As an alternative to cancellation, registrations may be transferred to another person (for the same registration category) without receiving any extra cost penalty. Please note that no credit card surcharges will be refunded at any time. The refund will be returned via the same payment method as the original receipt of funds.
